

## Milton Amateur Radio Club Net Preamble

This is \_\_\_\_\_ does anyone need to use the repeater before I begin the Milton Amateur Radio Club Net?

Calling all Amateur Radio Operators.

This is \_\_\_\_\_ activating the Milton Amateur Radio Club Net. Anyone not making the repeater. Please transmit on 145.49 Mhz Simplex and ask for a relay. Emergencies may break the net at any time.

This is \_\_\_\_\_ my name is \_\_\_\_\_ and I am located in \_\_\_\_\_, Florida. I will be Net Control for this evening's session. This is a directed net. Stations should not transmit unless requested to do so. This net is operated as a function of the Milton Amateur Radio Club. It is not necessary to be a Milton Amateur Radio Club member to check-in.

If you have any questions about the operation of the Milton Amateur Radio Club net or would like to become a net control station, please contact. The Net Coordinator, Bob Perry, [KA0AGC@bellsouth.net](mailto:KA0AGC@bellsouth.net) or any club member available.

This net meets each Tuesday evening at 8:00 P.M. CST. This repeater is located in the City of Milton # 4 water tower yard. Which has a street address of 3100 Berry Hill Road. The repeater is Kenwood TKR-750 running at 45 watts with a Arcom RC210 controller into a DB-24 four bay dipole antenna array at 150 feet above the ground.

The Milton Amateur Radio Club meets at 7: P.M. CST., on the third Monday of each month at the Milton Branch of the Santa Rosa County Library, located on Alabama Street in Milton, Florida. If you have any question about the Milton Amateur Radio Club or would like to become a club member, please contact. The Club President, Bob Perry, [KA0AGC@bellsouth.net](mailto:KA0AGC@bellsouth.net) or any club member available.

I will now standby for mobile stations short of time. Please call now.

Does anyone need any of these stations before I release them?

Early check-ins are free to secure at their discretion and thank you for checking in.

I will now stand by for any announcements, bulletins, or other information of interest to the net.

Please call now.

The Milton Amateur Radio Club Net will be conducted informally tonight. I will first take a list of check-ins. This is \_\_\_\_\_ beginning the regular check-ins. Please come now one at a time with your call sign and your name and location.

Hearing nothing more, all stations are free to secure. Thank you all for your participation tonight.

The Net wishes to thank the Milton Amateur Radio Club for making this repeater available for our use tonight.

This is \_\_\_\_\_ returning the repeater back to normal amateur radio use.

Thank you all and good evening. 73
